The Engineering Professions Association of Namibia

PO Box 21885 • Windhoek • Namibia • Tel: +264-61-223009 Website: www.engineers-namibia.org / E-mail: epa@africaonline.com.na

The EPA invites applications for scholarships from suitably qualified candidates, for study at a university or technical college towards the attainment of a National Diploma in Engineering, Bachelor of Technology degree or Bachelor of Science degree in engineering. Only serious and dedicated students seeking a career in engineering should apply.

Scholarships for the amount of N\$75 000 will be awarded for the academic year 2018, for study at a university or technical college of the applicant's choice, provided that the study at the said institution will lead to the attainment of a Diploma, Bachelor of Technology Degree or Bachelor of Science Degree in engineering that is accepted by the Engineering Council of Namibia for the purpose of registration as a professional engineer, incorporated engineer or engineering technician. This is the case for engineering studies at the University of Namibia, the Namibian University of Science & Technology, and most universities or technicons in South Africa. If in doubt, the applicant should direct an enquiry to the Secretary of the EPA – E-mail: epa@africaonline.com.na

Applications are open to all Namibian citizens, and students who have successfully completed at least their first academic year in National Diploma in Engineering, Bachelor of Technology degree or Bachelor of Science degree in engineering currently studying at a university or technical college, who are in excellent health and possess at least the required minimum academic qualifications to qualify for a scholarship and for admission to the relevant study. The applicable minimum requirements are stated in the Guide to EPA Scholarships.

Applications must be submitted on the EPA Scholarship Application Form, together with the specified attachments, and must be received at the address below on or before 6 March 2018.
